KODAK RELIABLE IMAGE TIP # 13

Recently there have been several inquires from customers relative to dating issues on the Red and Black Imprinter Ink Ribbons (carton of 6).

1049238	CTN/6 IMPTR INK RBN RED

1049212	CTN/6 IMPTR INK RBN BLACK

For clarification, there is a 6 digit dating <u>code</u>, which is broken down as follows:

RECORDAK
IMPRINTER INKING
RIBBONS, BLACK

USE BEFORE
040402 CAT 104 9212

In this sample the product label reflects a use before date code of: 040402

- The first 2 digits represent the month of product expiration.

- The second set of 2 digits represents the year of product expiration.

- The third set of 2 digits represents the vendors' batch code.
