Kodak Document Conversion Centers (DCC)

No-Charge Labels for You

Maybe you forgot or didn't know that as an Authorized DCC, Kodak will provide labels to you free of charge. Many DCC's create their own labels or purchase them, either way, it cost you \$\$\$ annually.

The sample below is what we offer and can be used on microfilm boxes, fiche envelopes, etc. All you have to do is contact Patty De la Rosa at the Quality Assurance Lab in Rochester at 800-943-4561. Patty will take it from there.
